December 7-10, 2017  
Washington, DC

*Save the Date:*

# 2017 Advanced Team Physician Course

The Gaylord National Resort  
Washington, DC

**A** **Advanced**, cutting edge, current-concepts content designed to bring the attendee up to date on a broad range of athletic-related problems including the downed athlete, pain management, Fitness and Exercise is Medicine, MSK injuries of the upper and lower extremity; nutrition; and Brain-related issues from psychology to concussion.

**T** **Targeted** audience includes team physicians, certified athletic trainers, physical therapists, and allied health care providers concerned with the management and prevention of injuries and illnesses related to athletic participation with special focus on team sports.

**P** **Premier**, impressive, expert faculty representing the best of ACSM, AOSSM, AMSSM as well as regional, national, international content experts from the NFL, MLB, NBA, USA Military services, and leading Universities from across the country.

**C** **Collaborative**, dynamic, interactive program developed by ACSM, AOSSM, & AMSSM; three global leaders on sports medicine and sports medicine education; uses live activity formats that includes lectures, case challenges, panel discussions, small group break-outs, expert demonstrations, and one-on-one faculty interaction to optimize the opportunity for participants to advance their knowledge and skills.

Agenda and registration information will be  
available at [www.acsm.org](http://www.acsm.org) in August.
