Create and Fix a Rotator Cuff Tear  
Stephen S. Burkhart MD

4:00pm  
**Arthroscopic Rotator Cuff Repair**

5:30pm  
**Dinner/Questions and Cases**  
Moderator – Felix H. Savoie III, MD
General Information

Course Objectives
Upon completion of this course, learners should be able to:

- Discuss the nuances and difficulties associated with assessing the throwing shoulder
- Explain how best to repair shoulder instability with bone loss along with discussing tools for better examination and understanding of this problem
- Describe the skills needed for the evaluation and management of disorders of the rotator cuff
- Describe skills for assessing actual anatomic lesions that produce separations of the shoulder and determine when and how to assess and repair these injuries

Course Materials
The Final Program for this course is posted and available for download in attendees’ My AOSSM profiles. PowerPoint presentations from the course will be available to registrants of this course a week after the meeting.

Complimentary Meals
Continental breakfast is provided 30 minutes prior to the start of each days session. Lunch and dinner is provided on Saturday.

Program
AOSSM attests that the people responsible for the development of this live activity did so independently and were not influenced by commercial supporters.

Accreditation
The American Orthopaedic Society for Sports Medicine (AOSSM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

AMA PRA Credits
The American Orthopaedic Society for Sports Medicine (AOSSM) designates this live activity for a maximum of 21.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Disclaimer
The material presented in this live activity is being made available by the AOSSM for educational purposes only. This material is not intended to represent the only methods or procedures appropriate for the medical situation discussed.

Disclosure Statement
In accordance with the guidelines of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of the AOSSM that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on, patients). Any and all disclosures will be provided in the final program that is distributed at the meeting to program participants. In accordance with AOSSM policy, faculty participation is predicated upon timely submission and review of AOSSM disclosures. Non-compliance results in faculty being stricken from the program.

Faculty/Planner DISCLOSURE DECLARATION

In accordance with the standards of the Accreditation Council for Continuing Medical Education (ACCME) it is the policy of The American Orthopaedic Society for Sports Medicine that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest. (A ‘commercial interest’ is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.) Any and all disclosures are provided in this program that is distributed at the meeting to all program participants. In accordance with AOSSM policy, faculty participation in this educational activity will be predicated upon timely submission and review of AOSSM disclosure. Non-compliance will result in a faculty member being stricken from the program.
