AOSSM gratefully acknowledges Stryker for an educational grant in support of this course.
COURSE DESCRIPTION
The aim of the course is to provide a greater understanding of normal and pathological states of the athlete’s hip. The course will provide a complete overview of the evaluation, non-surgical treatment and surgical correction of the athlete’s hip in all compartments; central, peripheral, peri-trochanteric and posterior. Integration of clinical expertise from outstanding local and international faculty with the best available clinical evidence into the decision making process for patient care will be presented to address clinical challenges relevant to everyday practice. The psychomotor skills portion of the course will provide attendees a clear rationale and practical treatment algorithms to address both simple and complex hip pathologies.

LEARNING OBJECTIVES
Upon completion of this educational activity, participants should be able to:

• Describe normal and pathologic hip kinematics in the athlete’s hip
• Describe and perform a complete physical exam, radiographic analysis, and then determine and identify non-operative and operative treatment plans
• Describe and perform the set up, portal placements, fluorooscopic management, and techniques for repair and resection in hip preservation surgery
• Describe and perform arthroscopic and open hip preservation techniques in the central compartment (labral and articular, psoas and pincer pathology), and peripheral compartment (cam and capsular pathology)
• Explain how to construct a hip practice and direct rehabilitation

SESSION I
3:10pm–3:20pm  Evolution of Groin Pain in Athletes—From Adductor to Sports Hernia to FAI
Brian D. Busconi MD

3:20pm–3:30pm  Evaluation of the Patient—H & P
Allston J. Stubbs IV, MD, MBA

3:30pm–3:40pm  Essentials of Imaging—XR, MRI, CT
Anil S. Ranawat MD

3:40pm–3:50pm  Ultrasound
John J. Christoforetti MD

3:50pm–4:00pm  Indications for Hip Arthroscopy
J. W. Thomas Byrd MD

4:00pm–4:10pm  Panel Discussion

SESSION II (Non-surgical)
4:10pm–4:20pm  Hip in the Athlete—Patterns of Damage in Differing Sports
Marc R. Safran MD

4:20pm–4:30pm  FAI—Anatomy and Pathophysiology and Pattern Damage CAM, Pincer, AIIS and Ilioischial
Michael Dienst MD

4:30pm–4:40pm  The Dancer and Gymnast Hip—Microinstability
Marc R. Safran MD

4:40pm–4:50pm  The Contact Athlete—Hip Dislocation/Macro Instability (Football, Ice Hockey, Wrestling)
J. W. Thomas Byrd MD
FRIDAY
April 13, 2018

4:50pm – 5:00pm  
**Hip Soccer Injuries – The South American Perspective**  
Leandro Ejnisman MD

5:00pm – 5:10pm  
**DDH – How Image, How Repair, Limitations**  
Anil S. Ranawat MD

5:10pm – 5:20pm  
**Adolescent Hip Disorders – LCP, SCFE**  
Victor M. Ilizaliturri Jr., MD

5:20pm – 5:30pm  
**Hip OA – Is There a Role?**  
Allston J. Stubbs IV, MD, MBA

5:30pm – 5:40pm  
**Greater Trochanteric Pain Syndrome / Gluteal Tears**  
Benjamin G. Domb MD

5:40pm – 6:00pm  
**DINNER BREAK**

6:00pm – 6:10pm  
**Deep Gluteal Space Syndrome**  
Hal D. Martin DO

6:10pm – 6:20pm  
**Proximal Hamstring Injuries**  
Brian D. Busconi MD

6:20pm – 6:30pm  
**Extra-articular Impingement: Trochanteric Ischiofemoral Impingement**  
Soshi Uchida MD, PhD

6:30pm – 6:45pm  
**Core Muscle Injuries – Diagnosis and Treatment**  
Brian D. Busconi MD

**SESSION III**

6:45pm – 6:55pm  
**Rehabilitation – Pre-Surgery – Tips, Tricks, Pearls**  
Stephen K. Aoki MD

6:55pm – 7:05pm  
**Hip Practice Management**  
John J. Christoforetti MD

7:05pm – 7:15pm  
**Economics of Hip Arthroscopy**  
Richard Chad Mather III, MD

7:15pm – 7:25pm  
**Outcomes in the Athlete – What Outcomes Should I Use**  
Nicholas Mohtadi MD, MSc, FRCSC

7:25pm – 7:40pm  
**Results/Outcomes of Hip Arthroscopy in Athletes**  
Marc J. Philippon MD

7:40pm – 8:15pm  
**Panel Discussion, Cases**

REGISTRATION HOURS
Friday, April 13 2:00pm–8:15pm
Saturday, April 14 6:30am–5:00pm

COMPLIMENTARY MEALS
Complimentary continental breakfast is served at the Hampton Inn and Suites. Dinner is provided on Friday and lunch on Saturday in the OLC Education & Conference Center.

SUPPORT
AOSSM gratefully acknowledges Arthrex, ConMed, DePuy Synthes, Smith & Nephew and Stryker for providing in-kind support in the form of equipment for the lab portion of the course.
AOSSM gratefully acknowledges Stryker for an educational grant in support of this course.

EXHIBITOR
Visit our exhibitor during the following hours:
Friday, April 13 2:15pm–6:15pm
Saturday, April 14 6:30am–1:00pm

Zimmer Biomet
P.O. Box 708
Warsaw, IN 46580
574/372-4878
www.zimmerbiomet.com

Founded in 1927 and headquartered in Warsaw, Indiana, USA, Zimmer Biomet is a global leader in musculoskeletal healthcare. We design, manufacture and market orthopaedic reconstructive products; sports medicine, biologics, extremities and trauma products; spine, bone healing, craniomaxillofacial and thoracic products; dental implants; and related surgical products.

They collaborate with healthcare professionals around the globe to advance the pace of innovation. Their products and solutions help treat patients suffering from disorders of, or injuries to, bones, joints or supporting soft tissues. Together with healthcare professionals, Zimmer Biomet helps millions of people live better lives. They have operations in more than 25 countries around the world and sell products in more than 100 countries.

Pick up AOSSM and ISAKOS resources from the table located across from registration.

AMERICANS WITH DISABILITIES ACT
The AOSSM wishes to take those steps to ensure that no individual with a disability is excluded, denied services, segregated, or otherwise treated differently than other individuals because of the absence of auxiliary aids and services. If you require any of the auxiliary aids or services identified in the Americans with Disabilities Act in order to attend this program, please contact AOSSM prior to arrival at info@aossom.org.

PROGRAM INDEPENDENCE
AOSSM attests that the people responsible for the development of this live activity did so independently and were not influenced in any way by commercial supporters.

CONTINUING MEDICAL EDUCATION CREDIT
The American Orthopaedic Society for Sports Medicine (AOSSM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. AOSSM designates this live activity for a maximum of 14 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

DISCLAIMER
The material presented in this continuing medical education program is being made available by the AOSSM for educational purposes only. This material is not intended to represent the only methods or procedures appropriate for the medical situation discussed, but rather it is intended to present an approach, view, statement, or opinion of the faculty, which may be helpful to others who face similar situations. Neither the content (whether written or oral) of any course, seminar or other presentation in the program, nor the use of a specific product in conjunction therewith, nor the exhibition of any materials by any parties coincident with the program, should be construed as indicating endorsement or approval of the views presented, the products used, or the materials exhibited by the AOSSM, or its Committees, Commissions, or Affiliates. The AOSSM makes no statements, representations or warranties (whether written or oral) regarding the Food and Drug Administration (FDA) status of any product used or referred to in conjunction with any course, seminar or other presentation being made available as part of this course. Faculty members shall have sole responsibility to inform attendees of the FDA status of each product that is used in conjunction with any course, seminar or presentation and whether such use of the product is in compliance with FDA regulations.

DISCLOSURE STATEMENT
In accordance with the guidelines of the ACCME, it is the policy of the AOSSM that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on, patients). Any and all disclosures will be provided in the final program that is distributed at the meeting. In accordance with AOSSM policy, faculty participation is predicated upon timely submission and review of AOSSM disclosures. Non-compliance results in faculty being stricken from the program.
AOSSM AND ISAKOS HIP ARTHROSCOPY COURSE
APRIL 13, 2018

FACULTY/PLANNER DISCLOSURE DECLARATION

In accordance with the standards of the Accreditation Council for Continuing Medical Education (ACCME) it is the policy of The American Orthopaedic Society for Sports Medicine that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest. (A ‘commercial interest’ is any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients.) Any and all disclosures are provided in this program that is distributed at the meeting to all program participants. In accordance with AOSSM policy, faculty participation in this educational activity will be predicated upon timely submission and review of AOSSM disclosure. Non-compliance will result in a faculty member being stricken from the program.
