## Sports Medicine Surgeon

The Department of Orthopaedic Surgery at the Massachusetts General Hospital is seeking a fellowship trained, board certified/eligible Sports Medicine surgeon to join the Sports Medicine Service. This Instructor/Assistant Professor-level position affiliated with Harvard Medical School offers a stimulating environment of both a clinical practice and a full-time academic appointment within the Department of Orthopaedic Surgery. Interested candidates should have a proven record of commitment to patient care, teaching, research, and over-all clinical excellence. We are looking for an individual with a particular interest in articular cartilage restoration/joint preservation, research and sports team coverage at all levels. We seek an individual capable of partnering in the ongoing development of a leading Sports Medicine program with multiple locations in eastern Massachusetts.

Interested candidates may send a letter of interest and current curriculum vitae to:
