### THURSDAY, JULY 5

**INSTRUCTIONAL COURSES** 6:45 am – 8:15 am

**EXHIBITS** 7:30 am – 12:30 pm

**GENERAL SESSION** 8:20 am – 5:00 pm

**INDUSTRY SYMPOSIUM** 12:30 pm – 2:00 pm

**MEDICAL PUBLISHING WORKSHOP** 12:45 pm – 2:15 pm

**NIH REVIEWERS’ WORKSHOP** 4:00 pm – 5:00 pm

**MORNING GENERAL SESSION** 8:20 am – 9:45 am

**KNEE LIGAMENT / MENISCUS**
- Debate: Anatomic is the Only vs. It’s All the Same
- Meniscal Root: When Should We Fix, Debride or Do Nothing?
- What Do We Do with the Meniscus and Does It Matter?

**CONCURRENT SESSION A** 9:45 am – 10:45 am

**ACL CASE-BASED LEARNING**
- ACL Extra-Articular Augmentation: Practical Application
- Anatomy Revisited: Where Should We Be Putting the Tunnel?
- Tunnel Healing: How Short Should We Go?
- ACL Case-Based Panel Discussion

**CONCURRENT SESSION B** 9:45 am – 10:45 am

**BUSINESS OF SPORTS MEDICINE**
- ASC: Physicians Perspective
- Outpatient TJA Program: You Need to Do This!
- Biologics: Financially Feasible?
- Your Reputation is Online: Learn How to Manage It

**CONCURRENT SESSION C** 11:30 am – 12:30 pm

**HIP**
- Hip Dysplasia in the Athlete
- How Do We Manage the Capsule in Hip Arthroscopy: What I Have Learned
- Hip Case-Based Panel Discussion

**BREAK** 10:45 am – 11:30 am

**CONCURRENT SESSION A** 11:30 am – 12:30 pm

**KNEE VIDEO DEMONSTRATION**
- Distal Femoral Osteotomy (DFO)
- Meniscal Root Repair
- ITB Tendonitis during ACL Reconstruction
- Osteochondral Allograft Transplant
- AM / MPFL Reconstruction
- Meniscal RAMP Lesion Repair
- PCL Reconstruction using Tibial Socket

---

### FRIDAY, JULY 6

**INSTRUCTIONAL COURSES** 6:45 am – 8:15 am

**EXHIBITS** 7:30 am – 12:30 pm

**GENERAL SESSION**
- 8:20 am – 5:00 pm
- 1:00 pm – 2:30 pm
- 2:45 pm – 4:15 pm

**MORNING GENERAL SESSION**
- 8:30 am – 9:35 am

**SHOULDER INSTABILITY**
- Traveling Fellows
- Get It Right the First Time: Choosing the Right Procedure for the Right Patient
- Shoulder Instability Case-Based Panel Discussion

**PRESIDENTIAL INTRODUCTION**
- 9:35 am – 9:40 am

**PRESIDENTIAL ADDRESS**
- 9:40 am – 10:10 am

**ROBERT E. LEACH SPORTS MEDICINE LEADERSHIP AWARD**
- 10:10 am – 10:20 am

**HALL OF FAME AWARDS**
- 10:20 am – 10:30 am

**BUSINESS MEETING**
- 10:30 am – 10:45 am

**BREAK**
- 10:45 am – 11:30 am

**CONCURRENT SESSION A**
- 11:30 am – 12:30 pm

**SHOULDER ROTATOR CUFF CASE BASED LEARNING**
- Cuff Pathology in the Young Athlete
- Biologics and Cuff Repair
- Shoulder Rotator Cuff Case-Based Panel Discussion

**CONCURRENT SESSION B** 11:30 am – 12:30 pm

**OUTCOMES IN SPORTS MEDICINE: IS THERE VALUE?**
- Outcomes Collection in the Real World: Cost and Benefit
- Outcomes: What is the Least We Need?
- How Should Data be Used?

**CONCURRENT SESSION C** 11:30 am – 12:30 pm

**TEAM PHYSICIAN: FACIAL AND HEAD INJURIES**
- Facial Trauma: Update for the Team Physician
- Oral / Dental Injuries: Triage and Management
- AMSSM Exchange Lecture: Ophthalmologic Injuries in Sports
- Facial Injuries: On Field Evaluation
- On-Field Management of Head and Neck Injuries
- ACSM Exchange Lecture: Concussion Update
This year’s Presidential Speaker, William Theodore Walton, III (Bill), will enlighten attendees on how basketball and sports have shaped his life and ability to impact others. He was a member of two NCAA championship teams for UCLA, compiling an NCAA record 88 consecutive game winning streak. Walton’s professional career began when he was the number one overall pick in the 1974 NBA Draft by the Portland Trailblazers. He was a member of their championship team in 1977. Nine years later he earned another championship title with the Boston Celtics. He played with the Trailblazers from 1974-1979, the San Diego Clippers 1979-1984, the Los Angeles Clippers in 1985 and the Los Angeles Lakers from 1985-1988. Currently, he lives in San Diego and serves as the executive chairman of Connect SD Sport Innovators (SDSI), a non-profit, business accelerating, trade organization that connects and drives the growth of Southern California’s vibrant sports economy. He also authored the book, Back from the Dead (March 2016).
INSTRUCTIONAL COURSES

THURSDAY
JULY 5, 2018
6:45 am – 8:15 am

IC101
CASE-BASED
Knee Ligament Injuries in the Skeletally Immature Patient: Case-Based Analysis of Treatment Options

IC102
CASE-BASED
Controversies in Rotator Cuff Surgery

IC103
Approach to the Patient with Failed Hip Arthroscopy

IC104
Joint Preservation Techniques for the Knee in 2018: The Utility of Biologics, Osteotomies and Cartilage Restoration Procedures

FRIDAY
JULY 6, 2018
6:45 am – 8:15 am

IC201
CASE-BASED
Biologics Treatments for Orthopaedic Injuries

IC202
CASE-BASED
UCL Reconstruction: Epidemiology, Surgical Technique, and Return to Play

IC203
CASE-BASED
Complex Knee Ligament Surgery

IC204
New Paradigms in the Thrower’s Shoulder

IC205
CASE-BASED
How to Deal with a Symptomatic Patellofemoral Joint

IC206
CASE-BASED
Extraarticular Reconstruction in ACL Deficient Knee: Back to the Future?

IC207
Shoulder Instability — From the Weekend Warrior to the High Caliber Athlete—How to Get This Right

IC208
Hip Arthroscopy Basics and How to Incorporate into Your Sports Practice

IC209
Business School for the Sports Medicine Practitioner

IC210
CASE-BASED
Complex and Multi-Ligamentous Injuries of the Knee: MCL, PCL, PLC

IC211
Evolving Concepts in the Care of Women in Sports: An Update in 2018

IC212
The Specificity of Meniscal and Cartilage Injury in the Young Athlete: Prevention, Orthobiological Surgical Care and Return to Sport

IC213
CASE-BASED
MPFL, MCL, and MPFC Reconstruction for Patellar Instability: Anatomy, Indications and Surgical Technique

IC214
CASE-BASED
Innovative Techniques for ACL Revision Surgery

IC215
CASE-BASED
Current Update on Biologic Augmentation Approaches for Soft Tissue Healing

IC216
Brew versus Wine: Avoiding Physician Burnout—How Orthopedic Surgeons Venture into and Succeed in the Beer and Wine Industry

IC217
Sports Medicine Ultrasound: Tips on How to Use, When to Use, Its Uses and Outcomes

IC218
CASE-BASED
Cartilage Injuries in the Middle-Aged Athlete and Return to Pivoting Sports

SATURDAY
JULY 7, 2018
6:45 am – 8:15 am

IC301
CASE-BASED
Meniscus Management Algorithm—When to Debride, Repair or Transplant

IC302
CASE-BASED
Recurrent Patellar Instability: How and When to Fix It and How to Avoid Complications

IC303
CASE-BASED
Controversies in Utilizing Grafts and Patches in Rotator Cuff Surgery: Augmentation, Interposition, Superior Capsule Reconstruction and Bio-Inductive Scaffolds

IC304
Return to Play Criteria After ACL Reconstruction: From Basic Science to Clinical Outcome

IC305
CASE-BASED
Osteochondritis Dissecans and Chondral Injuries of the Knee, Elbow, and Ankle: Treatment in Adolescent Athletes

IC306
CASE-BASED
Making Osteotomy Part of Your Routine Clinical Practice: A Case-Based Guide to Success

IC307
CASE-BASED
In-Season Management of American Football Injuries

IC308
CASE-BASED
Hip and Groin Pain in the Athlete

IC309
CASE-BASED
Shoulder Arthritis in the Aging Athlete—Management Strategies for 2018

SUNDAY
JULY 8, 2018
6:45 am – 8:15 am

IC401
CASE-BASED

IC402
CASE-BASED
Medico-legal Update for the Orthopaedic Team Physician

IC403
CASE-BASED
Shoulder Instability with Bone Loss

Please see the full preliminary program available at www.sportsmed.org for detailed descriptions of the individual courses and faculty.
SPTS / AOSSM PRE-CONFERENCE WORKSHOP
WEDNESDAY, JULY 4
12:00 pm – 5:00 pm
Fee: No Charge
The purpose of the AOSSM / Sports Physical Therapy Section (SPTS) pre-conference course is to provide attendees a team approach to the treatment of various sports medicine type lesions and injuries. Through dual presentations, the physician and a physical therapist will present the most recent and state of the art treatment for specific sports injuries.

AOSSM MEDICAL PUBLISHING GROUP REVIEWERS WORKSHOP
THURSDAY, JULY 5
12:45 pm – 2:15 pm
Fee: No charge for reviewers
$50 non-reviewers
Reviewing and assessing quality scientific papers is a skill. The AOSSM medical publishing editorial staff will present a seminar for all those who review for AOSSM’s three journals or would like to do so. A combination of basic and advance topics will be covered to help reviewers hone their skills. Ample question and answer time will be included.

NIH REVIEWERS WORKSHOP
THURSDAY, JULY 5
4:00 pm – 5:00 pm
Fee: No Charge
Serving on an NIH study section and reviewing grant applications can enhance your professional development. This session will explore the structure of NIH grant reviews and offer helpful advice for approaching reviews as a member of an NIH study section. CME is not available for this session.

TOPICS OFFERED INCLUDE:
- Shoulder Instability
- Large Cuff Tear
- Revision ACL
- Cartilage Defect
- Hip
- Pediatric ACL
- Patellofemoral
- Meniscus Repair
- Complex Knee Ligament
- ACL Controversies
- Foot and Ankle
- Failed Cuff
- Hip
GENERAL INFORMATION

LOCATION
California’s second largest city, San Diego, will play host to the 2018 AOSSM Annual Meeting. San Diego’s ideal climate provides numerous opportunities for attendees and their families, including 70 miles of pristine beaches, more than 90 golf courses, the San Diego Zoo, Wild Animal Park, Sea World San Diego and Legoland California just to name a few. In addition, San Diego’s culinary arts are booming with numerous highly rated restaurants in the Gaslamp Quarter and Old Town. For more information on the city visit www.sandiego.org.

The Manchester Grand Hyatt is located on the waterfront and only three miles from San Diego International Airport. The hotel is within walking distance to several restaurants and attractions including Seaport Village, Midway Museum and Petco Park. For more information on the hotel visit www.manchestergrand.hyatt.com.

REGISTER
• Visit www.sportsmed.org to register and for complete fee details.
• Advanced registration deadline is June 5, 2018. After that date registration fees will increase by $150.

HOUSING AND CAR RENTAL

HOUSING
Housing for the meeting is available at www.sportsmed.org via OnPeak who is the AOSSM’s official housing company. Rooms at the discounted AOSSM rate of $244 will sell quickly so be sure to book your hotel early for the best selection and price. Reservations can also be made by calling 855/416-4093. All scientific sessions and exhibits will be held at the Manchester Grand Hyatt. Housing rates will be available until June 5, pending availability.

IMPORTANT NOTE
AOSSM has designated onPeak as the only official housing provider. There are companies and organizations that will try to present themselves as official partners of the AOSSM Annual Meeting and offer you potential room reservations that might not be guaranteed or available. OnPeak is the only official housing provider.

RENTAL CARS
AOSSM has negotiated special rates for rental cars during the Annual Meeting. Visit www.sportsmed.org and click on the rental car link or call 1-800/654-2240/1-405/720-3316 for your discount using code CV 04H0006.

EDUCATIONAL OBJECTIVES
Upon completion of this educational activity, learners should be able to:
• Implement an effective evaluation algorithm, based on recent research, for musculoskeletal and medical sports medicine conditions
• Assess and apply surgical and non-surgical treatment recommendations and rehabilitation protocols for the management of musculoskeletal and medical conditions germane to the practice of orthopaedic sports medicine
• Integrate prevention strategies with healthcare team(s) to improve musculoskeletal and medical health in their patient population

CONTINUING MEDICAL EDUCATION CREDITS
The American Orthopaedic Society for Sports Medicine (AOSSM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

General Scientific Sessions: AOSSM designates this live activity for a maximum of 16.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Instructional Courses: AOSSM designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Roundtable Discussions: AOSSM designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

AOSSM Medical Publishing Group Reviewers Workshop: AOSSM designates this live activity for a maximum of 1.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CONTINUING EDUCATION FOR ATHLETIC TRAINERS
The American Orthopaedic Society for Sports Medicine (AOSSM) is recognized by the Board of Certification, Inc. to offer continuing education for Certified Athletic Trainers.

AAPA
AAPA accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by ACCME.

REFUND POLICY
Refunds will be subject to a non-refundable $150 processing fee. Requests for refunds must be received in writing at the Society office no later than June 5, 2018. No refunds will be issued after this date for registration fees, instructional courses or social events.
The 2018 AOSSM Annual Meeting is THE meeting to attend for team physicians and any individual working in sports medicine! Nikhil Verma, MD, 2018 Program Chair, and his committee have created a scientific program that will keep you engaged with your colleagues on the latest research, prevention and treatment developments and leave you inspired to implement changes into your practice.

**LOOK FORWARD TO:**

- **4 live surgeries** including shoulder capsule reconstruction, shoulder resurfacing, hip arthroscopy and meniscal transplant
- **34 instructional courses**, even some you don’t have to wake up early for on Friday afternoon
- **50 Posters**
- **MORE THAN 70 research paper presentations**
- **Symposia discussion** on injury prevention and current trends with the NCAA and National Federation of High School Sports
- **Presidential Guest Speaker**, Bill Walton, UCLA and NBA star
- **Product demonstrations** on innovative technologies in sports medicine
- **Personal interactions** and mentoring with the legends of orthopaedic sports medicine
- **Sunny San Diego** and all of its amazing fun for you and your family, including the world-renowned San Diego Zoo, SeaWorld and our annual Saturday family party on the USS Midway.
