2019
Advanced Team Physician Course
December 12–14, 2019 • Las Vegas, NV

FINAL PROGRAM
COURSE DESCRIPTION
The Advanced Team Physician Course (ATPC) is a collaborative effort between ACSM, AMSSM and AOSSM. The live activity is designed to provide up-to-date information on the evaluation and treatment of medical illnesses and musculoskeletal injuries occurring in competitive and recreational athletes. While the emphasis will be on athletes participating in team sports, many topics will be applicable to competitors in individual sports. The live activity format utilizes lectures, case presentations, debates on controversial topics, panel discussions, question-and-answer sessions as well as informal discussions with the faculty.

TARGET AUDIENCE
This conference will prove valuable to any team physician, certified athletic trainer, physical therapist or coach concerned in the management or prevention of injuries to the team athlete.

LEARNING OBJECTIVES
Upon completion of this course the participant will be able to:
- Perform screening for cardiac abnormalities
- Describe the current concepts for treatment of ACL injuries
- Apply diagnostic principles to common elbow pathology
- Correlate physical exam of hip and ground pain with advanced imaging
- Explain treatment for cartilage and meniscus injuries in athletes
- Describe sports medicine in relationship to dance
- Perform concussion management on the sideline
- Describe operative vs. non-operative management of various orthopaedic pathologies
- Discuss new changes from PPE Monograph 4 to PPE 5
- Detail key points of emphasis in PPE 5
- Outline top research gaps identified in PPE 5
- Apply best practices for the appropriate non-operative and surgical management of common sports medicine conditions
- Discuss the similarities and differences between the dancer athlete and traditional sports athletes related to injury risk and types of injury
- Detail the vocabulary of dance terms and types of dance in order to better understand mechanism of injury
- Discuss methods to protect young dancers from injury, overtraining as well as burnout
- Outline gaps in research related to care of the young dancer
- Discuss injury risk of the hyper-mobile athlete as it relates to performance sports
- Outline unique aspects of a rehabilitation plan for the hyper-mobile athlete
- Discuss options to allow participation with an illness/injury in the performer vs. when withholding participation is necessary
- Develop approaches to care in the injured performer
- Discuss injury patterns in different types of musicians
- Outline gaps in care of musicians and opportunities to improve outcomes
- Discuss the similarities and differences between the dancer athlete and traditional sports athletes related to injury risk and types of injury

THURSDAY, DECEMBER 12, 2019

6:45 am – 7:45 am
Continental Breakfast

7:45 am – 8:00 am
Welcome
Volker Musahl MD
Jan Franek MD

Session I | The Preparticipation Examination
8:00 am – 10:00 am
Moderator: Francis G. O’Connor MD, MPH

8:00 am – 8:05 am
Introduction
Francis G. O’Connor MD, MPH

8:05 am – 8:20 am
PPE Monograph 5: What’s New
Francis G. O’Connor MD, MPH

8:20 am – 8:40 am
Screening for Sudden Cardiac Death: What Not to Miss!
Francis G. O’Connor MD, MPH

8:40 am – 8:55 am
The PPE Examination: There’s More than Just the Heart
Robert E. Sallis MD

8:55 am – 9:15 am
Special Considerations in the Female Athlete
Carrie A. Jaworski MD

9:15 am – 9:35 am
Functional Testing for Injury Prevention
Anthony I. Beutler MD

9:35 am – 9:50 am
Special Considerations in the Transgender Athlete
Carrie A. Jaworski MD

9:50 am – 10:00 am
Q & A

10:00 am – 10:15 am
Break

Session II | Cut or Not to Cut: ACL and Old Dog New Tricks
(Panel Discussion)
10:15 am – 12:15 pm
Moderator: Volker Musahl MD

10:15 am – 10:20 am
ACL Injury in the Younger Athlete (Pros and Cons)
Mark R. Safran MD

10:20 am – 10:30 am
ACL Panel Discussion
Mark R. Hutchinson MD
Jonathan T. Finnoff DO
Volker Musahl MD
Jan Franek MD
Robert E. Sallis MD
Marc R. Safran MD

10:30 am – 10:35 am
ACL Repair, Reconstruction (Pros and Cons)
Volker Musahl MD

10:35 am – 10:45 am
Panel Discussion
Mark R. Hutchinson MD
Jonathan T. Finnoff DO
Volker Musahl MD
Jan Franek MD
Marc R. Safran MD

10:45 am – 10:50 am
ACL Injury in the Mature Athlete Patient (Pros and Cons)
Jan Franek MD

10:50 am – 11:00 am
Panel Discussion
Mark R. Hutchinson MD
Jonathan T. Finnoff DO
Volker Musahl MD
Jan Franek MD
Marc R. Safran MD

11:00 am – 11:05 am
ACL Ortho-Biologics (Pros and Cons)
Jonathan T. Finnoff DO

11:05 am – 11:15 am
Panel Discussion
Mark R. Hutchinson MD
Jonathan T. Finnoff DO
Volker Musahl MD
Jan Franek MD
Marc R. Safran MD

11:15 am – 12:15 pm
Old Dog, New Tricks
Mark R. Hutchinson MD
Francis G. O’Connor MD, MPH
Jonathan T. Finnoff DO
Carrie A. Jaworski MD
Volker Musahl MD
Jan Franek MD

12:15 pm – 1:30 pm
Lunch–On your own

Session III | Advanced Deep Dive of the Elbow – Part 1
1:30 pm – 2:50 pm
Moderator: Mark R. Hutchinson MD

1:30 pm – 1:40 pm
Introduction with Foundational Anatomy Review
Mark R. Hutchinson MD

1:40 pm – 2:00 pm
Physical Exam of the Elbow: What’s the Evidence?
Mark R. Hutchinson MD

2:00 pm – 2:15 pm
Case-based Diagnostic Imaging Pearls of Elbow Pathology
Jan Franek MD

2:15 pm – 2:35 pm
Live Diagnostic Ultrasound of Normal and Pathologic Elbows
Jonathan T. Finnoff DO

2:35 pm – 2:50 pm
Panel Discussion and Q & A
Mark R. Hutchinson MD

2:50 pm – 3:05 pm
Break

Session IV | Advanced Deep Dive of the Elbow – Part 2
3:05 pm – 4:25 pm
Moderator: Mark R. Hutchinson MD

3:05 pm – 3:20 pm
Tendinopathy (Tennis elbow, Golfer’s Elbow, Triceps, Distal Biceps Ruptures)
Volker Musahl MD

3:20 pm – 3:35 pm
Elbow Injuries in the Mature Throwing Athlete
Marc R. Safran MD

3:35 pm – 3:50 pm
Elbow Issues in the Skeletally Immature Athlete
Jan Franek MD

3:50 pm – 4:05 pm
Elbow Dislocations and Posterolateral Instability
Marc R. Safran MD

4:05 pm – 4:25 pm
Q & A
All Speakers

4:25 pm – 4:40 pm
Break

Session V | Infectious Disease
4:40 pm – 6:10 pm
Moderator: Francis G. O’Connor MD, MPH

4:40 pm – 4:55 pm
Acute and Chronic Effects of Exercise on Immune Function
Francis G. O’Connor MD, MPH

4:55 pm – 5:10 pm
Infectious Skin Disorders in Athletes
Robert E. Sallis MD

5:10 pm – 5:25 pm
Update on Infectious Mononucleosis and Chronic Fatigue
Anthony I. Beutler MD

5:25 pm – 5:40 pm
Immunizations, Pre- and Post-Exposure Prophylaxis in Athletes
Francis G. O’Connor MD, MPH

5:40 pm – 5:55 pm
Managing Upper Respiratory Infectious Disease in Athletes
Carrie A. Jaworski MD

5:55 pm – 6:10 pm
Q & A
All Speakers

Adjourn Day 1

7:00 am – 7:45 am  
Continental Breakfast

7:45 am – 8:00 am  
Welcome / Announcements
Volker Musahl MD  
Jan Fronek MD

7:00 am – 7:45 am  
Session VI | Advanced Deep Dive of the Hip – Part 1
Moderator: Mark R. Hutchinson MD

7:00 am – 7:10 am  
Introduction with Foundational Anatomy Review
Mark R. Hutchinson MD

7:10 am – 7:30 am  
History and Physical Exam of the Hip: What’s the Evidence? (Live Demo)
Volker Musahl MD

7:30 am – 8:45 am  
Case-based Diagnostic Imaging Pearls of Hip Pathology
Marc R. Safran MD

8:45 am – 9:10 am  
Break

9:00 am – 9:55 am  
Session VII | Advanced Deep Dive of the Hip – Part 2
Moderator: Mark R. Hutchinson MD

9:00 am – 9:25 am  
Femoroacetabular Impingement (CAM/Pincer/Combined)
Marc R. Safran MD

9:25 am – 9:40 am  
Coxa Sultans: Snapping Hip (ITB Syndrome, Iliopsoas, Rectus, Loose Bodies)
Jonathan T. Finnoff DO

9:40 am – 9:55 am  
Hip Issues in the Skeletally Immature Athlete: SCFE, Perthes, Avulsion Injuries, Dysplasia
Marc R. Safran MD

9:55 am – 10:10 am  
Athletic Pubalgia (Sports Hernia, Inguinal Strain, Pubic Symphysisitis, Adductor Strain)
Jonathan T. Finnoff DO

Session VIII | Sports Ultrasound Cartilage Session
Moderator: Jonathan T. Finnoff DO

10:55 am – 11:05 am  
Introduction with Case Presentation
Jonathan T. Finnoff DO

11:05 am – 11:25 am  
Live Demonstration of Advance Ultrasound of the Posterior Hip
Jonathan T. Finnoff DO

11:25 am – 11:45 am  
Pathology and Ultrasound-Guided Interventions of the Posterior Hip
Jonathan T. Finnoff DO

12:05 pm – 12:25 pm  
Live Demonstration of Advanced Ultrasound of the Anterior and Lateral Hip
Jonathan T. Finnoff DO

12:25 pm – 12:45 pm  
Update on Ultrasound-Guided Surgical Procedures
Jonathan T. Finnoff DO

12:45 pm – 1:00 pm  
Lunch – On your own

Session IX | Cartilage
Moderator: Volker Musahl MD

2:15 pm – 2:30 pm  
Anterior Knee Pain and PFS
Mark R. Hutchinson MD

2:30 pm – 2:45 pm  
OCD Lesions
Peter A. Indelicato MD

2:45 pm – 3:00 pm  
The Young Knee: Meniscectomy vs. Repair
Volker Musahl MD

3:00 pm – 3:15 pm  
Cartilage Repair: When to Treat and Not to Treat
Peter A. Indelicato MD

3:15 pm – 3:30 pm  
Repair Techniques
Peter A. Indelicato MD

3:30 pm – 4:00 pm  
Q & A
All Speakers

4:00 pm – 4:15 pm  
Break

Session X | Expanding the Stage of Sports Medicine: Care of the Performing Artist
Moderator: Carrie A. Jaworski MD

4:15 pm – 4:30 pm  
Introduction
Carrie A. Jaworski MD

4:30 pm – 4:55 pm  
The Pre-professional Ballerina
Carrie A. Jaworski MD

5:00 pm – 5:30 pm  
The Hypermobile Performer
Melody R. Hrubes MD

5:30 pm – 5:45 pm  
The Show Must Go On!
All Speakers

5:45 pm – 6:00 pm  
Care of Musicians: The Forgotten Athlete
Melody R. Hrubes MD

6:00 pm – 6:15 pm  
Q & A

Adjourn Day 2
SATURDAY, DECEMBER 14

7:00 am – 7:45 am
Continental Breakfast

7:45 am – 8:00 am
Welcome / Announcements
Volker Musahl MD
Jan Fronek MD

Session XI | The Ever-Evolving Care of Concussions – Where are We Now?
7:00 am – 12:15 pm
Moderator: Carrie A. Jaworski MD

8:00 am – 8:05 am
Introduction
Carrie A. Jaworski MD

8:05 am – 8:25 am
Sideline Head Injury Assessment and Management – High School to the Pros
Robert E. Sallis MD
Jeffrey S. Kutcher MD

8:25 am – 8:40 am
Concussion Subtype Management Pearls
Michael W. Collins PhD

8:40 am – 8:55 am
Enough is Enough: Retiring an Athlete from Sport
Jeffrey S. Kutcher MD

8:55 am – 9:25 am
Is It a Concussion or Not?
Carrie A. Jaworski MD
Robert E. Sallis MD
Jeffrey S. Kutcher MD
Michael W. Collins PhD

9:25 am – 9:50 am
What I Tell My Patients About…
1 Chronic Traumatic Encephalopathy
2 Baseline Testing, Needed or Not?
3 Exercise is Medicine for the Concussed Brain – Yes or No?
4 Helmet Technology—Worth the Price?
5 Hyperbaric Oxygen or Hocus Pocus?
Carrie A. Jaworski MD
Michael W. Collins PhD
Jeffrey S. Kutcher MD
Robert E. Sallis MD

9:50 am – 10:00 am
Q & A

10:00 am – 10:15 am
Break

Session XII | Cut or Not to Cut Shoulder Instability: Return to Play Case-Based and Examarama (Panel Discussion)
10:15 am – 12:15 pm
Moderator: Volker Musahl MD

10:15 am – 10:20 am
Shoulder Dislocation – In Season
Volker Musahl MD

10:20 am – 10:30 am
Panel Discussion
Mark R. Hutchinson MD
Jan Fronek MD
Carrie A. Jaworski MD
Volker Musahl MD
Robert E. Sallis MD
Stephen F. Brockmeier MD

10:30 am – 10:35 am
Batter’s Shoulder (Case Presentation)
Jan Fronek MD

10:35 am – 10:40 am
Panel Discussion
Mark R. Hutchinson MD
Volker Musahl MD
Carrie A. Jaworski MD
Robert E. Sallis MD
Jan Fronek MD
Stephen F. Brockmeier MD

10:40 am – 10:45 am
Post-operative Instability (Case Presentation)
Stephen F. Brockmeier MD

10:45 am – 10:50 am
Panel Discussion
Mark R. Hutchinson MD
Jan Fronek MD
Carrie A. Jaworski MD
Volker Musahl MD
Robert E. Sallis MD
Stephen F. Brockmeier MD

10:50 am – 10:55 am
Panel Discussion
Mark R. Hutchinson MD
Jan Fronek MD
Carrie A. Jaworski MD
Volker Musahl MD
Robert E. Sallis MD
Stephen F. Brockmeier MD

11:00 am – 11:15 am
Panel Discussion
Mark R. Hutchinson MD
Jan Fronek MD
Carrie A. Jaworski MD
Volker Musahl MD
Robert E. Sallis MD
Stephen F. Brockmeier MD

11:15 am – 12:15 pm

Quiz Show

7:30 pm – 8:15 pm
Poster Session

8:15 pm – 9:00 pm
Welcome Reception

9:00 pm – 11:00 pm
Closing Dinner at...
On-site registration will be located outside of the meeting room.

Hours will be as follows:
- Thursday, December 12: 6:45 am – 6 pm
- Friday, December 13: 7 am – 6 pm
- Saturday, December 14: 7 am – 3 pm

**GENERAL INFORMATION**

**COURSE LOCATION**
Located at 3960 Las Vegas Boulevard, The Four Seasons Hotel Las Vegas places you in the heart of Las Vegas. A luxurious art deco-inspired rooms and suites reflect the energy and excitement of one of the world’s most vibrant cities. There’s direct access to Mandalay Bay Resort and Casino, and the city’s nightlife and entertainment. Don’t miss the elegant landscaped garden with private pool, restaurant and lounges.

**STATEMENT OF NEED**
A need for this live activity has been determined by identifying professional practice gaps and reviewing previous course evaluations. The content of this course is based on current issues and hot topics provided by ACSM, AMSSM and AOSSM membership and leadership.

**PROGRAM**
AOSSM attest that the people responsible for the development of this live activity did so independently and were not influenced by commercial supporters.

**DISCLOSURE STATEMENT**
In accordance with the guidelines of the Accreditation Council for Continuing Medical Education (ACCME), it is the policy of the AOSSM that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest (any entity producing, marketing, re-selling, or distributing health care goods and services consumed by, or used on, patients). Any and all disclosures will be provided in the program, nor the use of a specific product in conjunction therewith, nor the exhibition of any materials by any parties coinincident with the program, should be construed as indicating endorsement or approval of the views presented, the products used, or the materials exhibited by the ACSM, AMSSM or AOSSM, or its Committees, Commissions, or Affiliates. The ACSM, AMSSM and AOSSM make no statements, representations or warranties (whether written or oral) regarding the Food and Drug Administration (FDA) status of any product used or referred to in conjunction with any course, seminar or other presentation being made available as part of this course. Faculty members shall have sole responsibility to inform attendees of the FDA status of each product that is used in conjunction with any course, seminar or other presentation being made available as part of this course. Faculty members shall have sole responsibility to inform attendees of the FDA status of each product that is used in conjunction with any course, seminar or other presentation and whether such use of the product is in compliance with FDA regulations.

**CONTINUING MEDICAL EDUCATION CREDIT**
The American Orthopaedic Society for Sports Medicine (AOSSM) (BOC AP#: P460) is approved by the Board of Certification, Inc. to provide continuing education for Athletic Trainers. This program is eligible for a maximum of 21.75 Evidence-Based Practice Category (EBP) hours / CEUs. ATs should claim only those hours actually spent in the educational program.

**AAP CREDITS**
This live activity, Advanced Team Physician Course (ATPC) 2019, with a beginning date of 12/12/2019, has been reviewed and is acceptable for up to 21.75 Prescribed credit(s) by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**EVALUATIONS**
Your evaluation of the Advanced Team Physician Course (ATPC) is vitally important to the Course Planning Committee for assessment and future planning. All attendees will have the opportunity to share feedback online, through an efficient online process. Attendees will receive an email message at the end of each day with a link to the evaluation. Please take a few minutes and evaluate the program each evening.

**CME CERTIFICATES**
At the conclusion of the course, attendees will receive an email message containing a link with instructions to claim CME credits.
### FACULTY / PLANNER DISCLOSURE DECLARATION

In accordance with the standards of the Accreditation Council for Continuing Medical Education (ACCME) it is the policy of The American Orthopaedic Society for Sports Medicine that faculty and planners disclose to the learners all financial relationships during the past twelve months with any commercial interest. A ‘commercial interest’ is any entity producing, marketing, reselling, or distributing health care goods or services consumed by, or used on, patients. Any and all disclosures are provided in this program that is distributed at the meeting to all program participants. In accordance with ACSSM policy, faculty participation in this educational activity will be predicated upon timely submission and review of ACSSM disclosure. Non-compliance will result in a faculty member being stricken from the program.
